- Provides Latching Alarm Silence / Reset Function

## APPLICATIONS

- Sump Pump Basins, Holding Tanks
- Water, Holding & Sewage Tanks
- High or Low Temperature Warning
- Industrial Process Monitoring
- Use With Flow and Level Switches

Activate Alarm with Any Dry-contact Switch!

## DESCRIPTION

Series UAB1-XL Universal Alarm Box is designed for indoor use. The unit features a non-metallic rugged enclosure, a combination red LED strobe/piezo buzzer, and external "power", "Test" and "Silence" switches. The unit is design to provide an audible and visual warning to notify of an alarm condition. Any dry-contact, non-powered flow, level, pressure or temperature switch will activate the alarm.
